

The Whitfield County Local Emergency Planning Committee was designed to create a bridge for communication between citizens, business, industry, health care and government about hazardous materials incidents and other hazards in the community.

Joining the LEPC will give you access to:

- Training opportunities
- Relevant incidents and lessons learned from them
- Increased safety awareness
- Networking opportunities with public safety before you need them

The Whitfield County Local Emergency Planning Committee (LEPC) was created under an Act of Congress known as the "Emergency Planning and Community Right-To-Know Act of 1986". The law requires that each state establish planning districts.

Each LEPC must offer to include:

- Elected Officials
- Law Enforcement
- Emergency Management
- Fire Department
- Emergency Medical Service (EMS)
- Health Care Agencies
- Local Environmental Representatives
- Hospital Personnel
- Transportation Personnel
- Broadcast and Print Media
- Community Groups
- Industry Facility Owners/Operators
