WELLS FARGO PARKING DECK RESTORATION PROJECT

Whitfield County, GA – The parking deck connected to Wells Fargo building, on Hamilton Street, will be undergoing maintenance beginning April 1, 2024. The project will be completed in two phases.

Phase 1 of the construction project will focus on refurbishing the parking deck metal stairs that connect the ground floor to the top of the parking deck. While a few parking spaces near the stairs will be temporarily closed, the parking deck second – floor entrance will remain accessible.

Phase 2 is tentatively scheduled to begin on May 30, 2024. During this time, the metal stairs will be reopened for use, but the mezzanine building entrance on the second floor will be closed. Throughout this period, occupants and visitors are advised to park in any available space within the multi-level parking deck. Access to the building will be provided by the metal stairs leading down to ground level and then through the main entrance on Hamilton Street.

Overall completion date is expected to be July 12, 2024.

We apologize for any inconvenience this may cause and appreciate your understanding and cooperation for the duration of the project.

If you have any questions, please call the Whitfield County Board of Commissioner's Office at: (706) 275-7500.
