WELLS FARGO PARKING DECK RESTORATION PROJECT

Whitfield County, GA – The parking deck connected to Wells Fargo building, on Hamilton Street, began undergoing maintenance on April 1, 2024. Due to safety precautions, the project will now be completed in three phases and has an extended completion date.

Phase 1 of the construction project will focus on refurbishing the parking deck. After 2pm on April 10th, **no** entry will be permitted into the parking deck. Employees and visitors will need to utilize on-street parking until the deck re-opens on May 1st.

Phase 2 is tentatively scheduled to begin on May 2nd. During this time, the metal stairs leading to the ground floor, will undergo construction and remain closed until June 5th.

Phase 3 is tentatively scheduled to begin on June 6th. The metal stairs and the parking deck will be open for use. However, the mezzanine (2nd floor) will be inaccessible from the parking deck, and employees and visitors using the parking deck will be routed down the metal stairs and through the main entrance for building access.

Overall completion date is now expected to be July 20, 2024. Weather delays may alter the tentative schedule listed above, but the public will be notified with any changes as they are available.

We apologize for any inconvenience this may cause and appreciate your understanding and cooperation for the duration of the project.

If you have any questions, please call the Whitfield County Board of Commissioner's Office at: (706) 275-7500.
